### CPNI Compliance Certification

I hereby certify, as an officer of PetroCom License Corporation, that I have personal knowledge that, to the extent required by the rules and regulations of the Federal Communications Commission, PetroCom has established operating procedures that are adequate to ensure compliance with the rules in Subpart U – Customer Proprietary Network Information – of Part 64 of Title 47 of the Code of Federal Regulations. Attached to this Compliance Certification is a statement explaining how PetroCom's operating procedures ensure that it is in compliance with these rules.

Name: Dennis d'Agui.  
Title: CHIEF FINANCIAL OFFICER  
Date: 12/29/05

**PetroCom License Corporation's Statement Accompanying its Annual Compliance Certificate**

Pursuant to Section 64.2009 of the Federal Communications Commission's ("FCC's") rules and regulations, 47 C.F.R. § 64.2009, PetroCom License Corporation ("PetroCom") has prepared this statement outlining why its operating procedures ensure that it is in compliance with the FCC's Customer Proprietary Network Information ("CPNI") rules.

PetroCom does not disclose CPNI to any third parties. Only PetroCom personnel have access to CPNI for the purpose of discussing with customers billing inquiries, the existence of new rate promotions or service features or the availability of new or revised to rate plans. As a part of their training, employees are instructed that all customer information, including CPNI, is proprietary and may not be disclosed to third parties without proper authorization. If PetroCom decides to employ CPNI more broadly, it will implement the safeguards required by the FCC's rules in general, and Section 64.2009 of the regulations in particular.
